

Letter from your Concessions Director

Dear Coaches and Parents,

Welcome to another great season with AYSO. AYSO is an ALL volunteer organization, so please keep in mind the importance of your help in the concession and the equipment areas. Please track your team's concession day/time. Your team only has to work once in the Fall and once in the Spring. Coaches - take this opportunity to recruit a team parent to assemble your concession crew. You may find the concession schedule posted on the concessions building at the Kalamazoo Community Soccer Complex and also online at www.ayso211.com.

Each team should recruit 3 parents to work for the 1st half and 3 parents for the 2nd. If your team is working ALONE, then 6 parents from your team are required for each half-shift.

Thank you for your help in making the season a great success. If you have any questions, please e-mail me (look under "Contacts" on the website).

Adam Fox, Concessions Director
