

## Letter from your Equipment Director

Dear Coaches and Parents,

### EQUIPMENT SALES INFORMATION

Have you ever gone to every store in town looking for a pair of white shorts for your child's soccer uniform only to find they are sold out? Look no further! Our equipment area has the soccer balls, shin guards, (red, green, blue) socks, AND (black and white) shorts to fulfill your child's equipment needs.

We will be open during all games throughout the season.

### SHOE EXCHANGE PROGRAM

We have a shoe exchange program where you can trade a pair of too small shoes for ones that will fit for this season at no cost. Even if you don't have a pair to exchange, you can purchase a pair for \$5. If you have any soccer shoes around the house that are collecting dust, this is a great place to donate them. The shoes are located on the back wall of the equipment area. Stop by and look over the selection.

### WHY WE HAVE TO BUY UNIFORMS EVERY YEAR?

Region 211 has reusable reversible jersey for Divisions U08 and below. As the years have passed, families have forgotten to turn these in. If you have a reversible jersey, please mail it to the following address:

AYSO, PO Box 19575, Kalamazoo, MI 49019

Matt Fox, Equipment Director
